**Re: Docket Number 98P-0151/CPI**

To: U.S. Food and Drug Administration:

I commend your recent efforts at reviewing and revising your policy in the direction of ending the *downed animal trade*, and to encourage you to grant the **Farm Sanctuary's petition to prohibit the slaughter of downed animals.**

I strongly believe that slaughtering downed animals is an abomination that no civilized society should allow or condone, and I implore you to fully support the Farm Sanctuary petition. Please let me know what is being done.

Sincerely,

Laura McAllister
